It is a pleasure to learn of your interest in the Sons of the Revolution in the State of California. You are to be congratulated upon your desire to honor your ancestor and his service to our Nation by becoming a member of the SR. The Society owns and operates the Sons of the Revolution Library in Glendale, with its collection of over 35,000 volumes of rare historical and genealogical reference works, as our main patriotic project for the community. We are proud of the fact that we have been able to keep our library doors open to the public free-of-charge for over one hundred years.

Our Society is composed of gentlemen from differing walks of life who all share a common bond of descent from the men who won the American War for Independence. Among those affiliated with the Society are Gerald R. Ford, 38<sup>th</sup> President of the United States, and General Charles C. Krulak, the 31<sup>st</sup> Commandant of United States Marine Corps. James Stewart, the noted academy award winning actor, was a member up until his death a few years ago.

### **Admission Process**

An invitation to apply for membership falls within the purview of the Board of Directors of the Society. The Membership Committee is privileged to make qualified recommendations. If interested, you are cordially invited to complete the enclosed questionnaire and submit it for consideration.

Once an invitation to membership is extended, the candidate is provided an application which he must complete detailing his direct descent from a qualifying ancestor who served in the American Revolution. It is important that each generation is fully and properly documented. The Society does not accept the lineage papers of other societies. Our Bylaws require that an application for membership be endorsed by two members of the Society.

Once completed, the application, along with copies of documentation supporting the detail on the form for each generation, is submitted to the Society with an accompanying check for applicable fees and membership.

Your questionnaire should be directed to:

Sons of the Revolution Library  
Attn: Membership Committee  
600 South Central Avenue  
Glendale, CA 91204

Should you have any questions regarding the Sons of the Revolution or need assistance in readying your application for membership, please feel free to contact us.
